

21/10/2022

Dear parent/carer,

Asalam aleikum warahmatullahe wabarakatuh

Eedi has offered all Year 7 to Year 11 families at our school free access to the Eedi platform, a free maths learning platform designed to motivate children to build maths confidence and improve maths grades.

With the Eedi tutoring platform, students will get unlimited access to practice questions, review videos made by teachers, and the chance of winning prizes & rewards for their commitment and consistency. You'll also get weekly reports from Eedi on how they're doing.

Eedi holds [seasonal leagues](#) and weekly competitions & prize draws to boost motivation and engagement, giving away real prizes (from iPads to Amazon vouchers) for students and schools as they build their streak scores and earn coins to spend in the Eedi Shop.

We intend to use the platform within lesson time and for homework. Your child can also practice independently using the suggestions provided by the platform. You can find a [student user guide here](#).

Eedi is free. No purchase is necessary.

With the Eedi tutoring platform, students will get unlimited access to practice questions, review videos made by teachers, and the chance of winning prizes & rewards for their commitment and consistency.

You'll also get weekly reports from Eedi on how they're doing.

To receive free progress and activity reports via email from Eedi, simply enter your details in your child's profile - you can [find instructions here](#).

Kind regards

Mrs A Begum
Head of Math
