Dear respected parents/carers,

Asalam aleikum warahmatullahe wabarakatuh

Re: Parent and school partnership

I pray that this letter finds you in the best health and increasing iman.

I would like to begin by thanking all the parents who came to celebrate the achievements of our students and hope to see more of you next year, inshallah, for our annual awards evening.

It was a wonderful opportunity to speak to some of you who expressed your enthusiasm and support for the school and gave suggestions for creating a stronger relationship through collaboration.

I would like to invite parents who are interested and available to work with the senior leadership team to support the school and contribute with their time and skills, by forming a committee.

Parents and carers are the most important influencers in our pupils' lives. We, at HKKG, believe that by working with parents, we can nurture the development of trust, and collaboration.

The school and parents working together will, inshallah, help our pupils to become successful, confident, and independent learners and responsible citizens who contribute to society. We believe that this will not only benefit the pupil, but the school as well.

Engagement of parents who bring skills and unique perspectives to our school, will complement its work, support pupils' educational attainment and behaviour for learning.

We appreciate that not all parents can commit to regular meetings and events and welcome any parent who may participate in one or two events, contribute remotely or simply bring new ideas and suggestions.

Please complete the short survey at the back of this letter and return to the school office or email it back to admin@hkkkg.bham.sch.uk by **Friday, December 16th 2022**. We will, inshallah, hold our introductory meeting on **Thursday, 5th January 2023**.

Kindest regards

Headteacher
