**Re: Summer Half -Term Holiday Science and History lessons**

I pray that you are in the best of health and imaan.

The year 11 Spring Holiday booster sessions were well received by the students and the feedback has been very positive. Therefore, we have decided to continue with these sessions next half term.

The Summer Half- Term Holiday History and Science sessions will be delivered on the following days:

Monday 29<sup>th</sup> May - 10.30 – 2.30 pm (History)  
Tuesday 30<sup>th</sup> May - 10.30 – 2.30 pm (Science)  
Wednesday 31<sup>st</sup> May - 10.30 – 2.30 pm (History)

It is important that students attend and engage in the lessons as they will help to prepare them for the fast approaching GCSE examinations.

If you have any further questions or difficulties in attending, please contact the school to reach an agreement with the headteacher.

We rely on your support and cooperation in helping your daughter reach her full potential.

Kind regards

Ms Jihar  
Headteacher
