

24<sup>th</sup> April 2026

Dear Parents and Carers,

Assalamu alaikum,

We are writing to clarify recent information that may have caused concern within our school community.

You may have seen posts circulating on social media, as well as an article in the Birmingham Mail, which could be interpreted as suggesting that HKKG School is closing. We would like to reassure you clearly and unequivocally that this is not the case. HKKG School remains fully open and is not affected by these reports.

The news relates to the Aalimiyah course provider, JKK, an evening supplementary school within our trust, which is due to close in July 2026. We understand that this is difficult news for the families, pupils, and staff connected to JKK, and our thoughts are with them during this challenging time. We keep them in our prayers and make dua for ease and strength for everyone affected.

We want to emphasise that HKKG School continues to operate as normal. There are no changes to our provision, staffing, or the education we provide for your children. We remain committed to delivering a safe, stable, and high-quality learning environment for all pupils.

If you have any questions or concerns, please do not hesitate to contact the school.

Thank you for your continued support and trust.

Yours sincerely,

Mrs N.Ellahi  
Head teacher
